University of Saint Mary Men's Basketball Player Named KCAC Player of the Week

(Leavenworth, Kan.)— USM Senior Carvelle Taylor, a 6' 1" guard out of McDonough, Ga., has been named men's basketball player of the week by the Kansas Collegiate Athletic Association (KCAC).

Over two games last week, Taylor scored a combined 54 points and notched two rebounds and two assists in leading the Spires to a pair of road victories over conference opponents Southwestern College and Tabor College.

"Carvelle had an amazing week," USM Men's Basketball Coach Jon Bishop said. "He's a big part of the reason why we won those games."

Taylor is now in second place on USM's all-time single season scoring list, with 540 points scored so far this season. He also won KCAC's Player of the Week honors in December.
