

SM *Spire* BUDDIES

October Newsletter

Now that the season has officially started, the 2010-2011 Lady Spires have transitioned from conditioning and weights to practicing full-time. This season holds high hopes for our team with 13 returners and a highly-anticipated freshmen class. Within this newsletter you should receive a treat from one of our sponsors and a handwritten letter from your Spire Buddy. We look forward to seeing you at the Ryan Sports Center for all of the Lady Spires' home games.

Featured Player of Month

The player of the month is one of our 13 returners, Samantha Ciani, a senior from Glenwood Springs, Colo. She is a psychology major whose ultimate goal is to "successfully graduate from Graduate School and work for the Peace Corps." Her goals for the season are to "lead the Lady Spires to a record-breaking season, inspire the team, and play to the best of (her) abilities." In her off time, Ciani enjoys reading, rafting, hanging out, eating sushi, and working out. Samantha has two Spire Buddies this season, Kelsey Carpenter and Peyton Basler. Kelsey is an 8th grader at Pleasant Ridge Middle School and her favorite subject is history. Peyton is a 2nd grader at Lansing Elementary and his favorite subject is P.E.
