The University of Saint Mary was founded in 1923 by the Sisters of Charity of Leavenworth, who continue as sponsors of the university today. USM has been repeatedly named a "Best Midwestern College" by *The Princeton Review* for academic excellence and feedback from students.

The University of Saint Mary mission is to educate students of diverse backgrounds to realize their God-given potential and prepare them for value-centered lives and careers that contribute to the well being of our global society.

Students enjoy a rich and varied educational experience defined not only by first-rate academics, but also by opportunities to participate in athletics, cultural, and other character-building activities. Small classes, personal attention from professors, and service-learning are hallmarks of Saint Mary's academic offerings, which includes 26 undergraduate programs and five master's programs in business, education, and psychology.

University of Saint Mary students come from across the U.S. and from multiple countries. About 50 percent participate in athletics, and approximately 30 percent are Catholic. About 95 percent of traditional age students receive some kind of financial aid.

For more information about the opportunities at the University of Saint Mary go to [www.stmary.edu](http://www.stmary.edu). Visit [www.gospires.com](http://www.gospires.com) to learn more about USM athletics.
