The *Spire SportsWire* is a weekly overview of USM Athletics, published every Monday.

NEWS

USM Cheerleading Signs First Cheerleader

USM's inaugural Cheerleading squad has passed another milestone, signing its first cheerleading recruit.

Morgan Conrad, a Piper High School senior, is USM's first high school signee.

The cheer squad, which should take the field for Spire Football games this fall, also recently drew 25 hopefuls to a tryout day—including 14 new students and 11 current Saint Mary students.

BASEBALL

The USM baseball team had its slate of weekend games wiped out by the unseasonable blast of wintry weather.

The Spires resume play Friday, April 3, with a conference doubleheader against Bethany College.

For now, USM's record remains 14-8-1 overall and 6-2 in the Kansas Collegiate Athletic Conference (KCAC).

SOFTBALL

Saint Mary Softball started conference play last week with two straight wins.

On Tuesday, the Lady Spires took both games of a doubleheader against Southwestern College, 5-3 and 13-3.

USM closed out the week splitting a doubleheader against Haskell Indian Nations University. The team's weekend games were called off due to weather.

The Lady Spires record now stands at 5-15 overall and 2-0 in KCAC play.

The Softball squad plays again on Wednesday with a doubleheader against conference opponent Friends University.
