The *Spire SportsWire* is a weekly overview of USM Athletics, published every Monday

BASKETBALL

The Thanksgiving holiday meant a relatively quiet week for the Spires Men's and Women's Basketball teams.

The men's squad played one exhibition contest last week, losing 96-63 at Central Missouri State University on Saturday, Nov. 28. As the game was an exhibition, the Spires' record stays at 5-2 on the year.

The Spires play again at 7 p.m. tonight, Nov. 30, as USM hosts William Woods University.

Conference play in the Kansas Collegiate Athletic Conference (KCAC) gets underway in full for Saint Mary at 8 p.m. Thursday, Dec. 3, as the Spires visit Southwestern College.

The Lady Spires, meanwhile, fell to William Woods 65-37 on Tuesday, Nov. 24. The team's record now sits at 1-7 overall.

The women's team next hosts Manhattan Christian College at 6 p.m. Tuesday, Dec. 1.

KCAC play for the Lady Spires also gets underway Dec. 3. They play at Southwestern at 6 p.m.
